About Ace

Ace is a joyful, curious, and fun-loving Beagle with a big personality and a knack for keeping everyone entertained — sometimes even with an accidental somersault or two!

He loves to play, enjoys the company of other dogs, and is a cuddler at heart. Ace is looking for a patient, loving home that will help him continue to build confidence, especially when it comes to being alone.

Ace Will Thrive In a Home That:

- Has time for play, companionship, and training
- May have another friendly dog for company
- Can help him feel more comfortable when alone
- Offers love, structure, and positive guidance
- Enjoys an active, happy puppy by their side!
